In addition to the above, please attach an up-to-date curriculum vitae.
(Template for suggested format is available from CAED.)

B) Mandatory Requirements

Attach documentation of 5 cases demonstrating proficiency in cosmetic dentistry. Each case should include a brief review of the comprehensive dental examination, including periodontal health, contributory medical history, radiographs, documentation of consultation with specialists or physicians, and any other considerations normally considered pertinent to dental treatment.

Photographs must be submitted digitally in jpeg format. Each case is to have the associated photographs contained in its own folder. Each image should be named such that it can be easily identified without opening the file and viewing the image. For example Case 1 preop 1, Case 1 preop 2, etc. Images may also be submitted as hard copies if the candidate so desires.

For further information, see the document entitled "Canadian Academy for Esthetic Dentistry - Certification Criteria".

C) Optional Requirements

1) Postgraduate certificate from an accredited educational institution.

Attach proof of completion of a minimum one year full time (or equivalent) postgraduate educational program in cosmetic dentistry. Include a notarized copy of the certificate or a certified transcript and any other documentation necessary to prove successful completion of the program. Documentation from the educational institution outlining the details of the course, content, etc. is useful if the program is not one that is familiar to the judging committee. Include the name and phone number of a person at the educational institution that the Committee may contact to verify information.

4) Additional complex esthetic cases.

Up to three additional cases may be considered for credit. See the document entitled "Canadian Academy for Esthetic Dentistry - Certification Criteria" for criteria for inclusion in the application. Requirements for submission are the same as for the required cases. Additional cases should be clearly labeled as "Additional complex case #1", etc.

5) Presentation of at least one case at a general meeting of the CAED

Candidates who successfully achieve 100 points will be contacted to make arrangements to present at least one case to the membership at a general meeting of the CAED. The style and format of such presentation is flexible, but open to direction by the judging committee.
